ABOUT US

We provide reliable, durable, and compliant PPE designed to safeguard workers across industries including construction, manufacturing, mining, security, and industrial operations. From high-visibility clothing and protective footwear to head, hand, and respiratory protection, our products are carefully selected to meet the highest safety standards.

At LETSHEDI AVODA, we understand that behind every helmet, glove, and safety vest is a person who deserves to return home safely. That's why we focus on delivering dependable safety gear, expert service, and long-term partnerships built on trust.
